

## Glass Solutions – Denver F3 & Denver F6

This guide provides an overview of our recommended glass configurations for Denver F3 and Denver F6 electronic burners. The glass design plays an essential role in ensuring stable and safe operation, and every solution is developed to support optimal airflow, proper shielding and a clean, architectural expression.

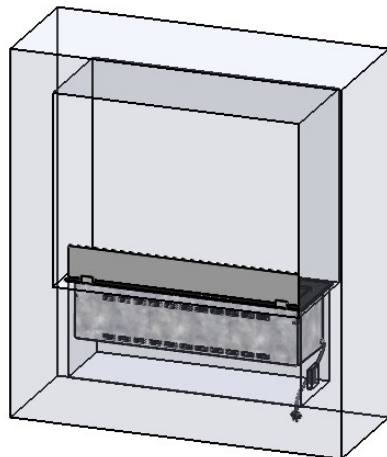

To make it easy to choose the correct setup, each configuration is clearly numbered. With the solutions shown, you achieve high safety, dependable performance and the distinctive visual quality that characterises Decoflame.

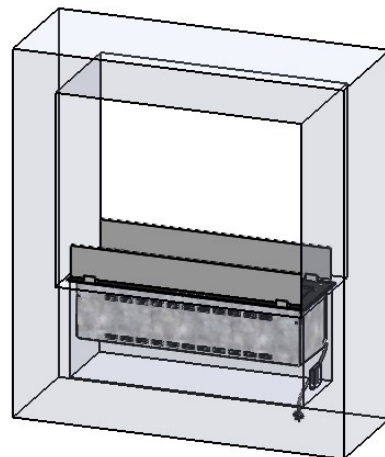

**Glass solution 1**  
Glass 65mm high 4mm thick
